Thank You to everyone who helped with Art Jam. "Going" is an important aspect of the Great Commission. The new Testament includes an expectation for sharing the gospel in the community, not just in the church gathering. Jesus and the apostles modeled this kind of ministry. By God's grace, we will continue to love our neighbors and point them to Jesus.

What does the New Testament teach about giving in the church?

The New Testament does not have a rigid plan for giving like the Old Testament tithe; however, the New Testament does teach giving to the church (see 1 Cor 16:2). Giving should be voluntary; that is, the church should not coerce the members for money (2 Cor 9:7). Members should give to support the ministry of the church (1 Cor 9:13-14; Gal 6:6). Members should give from a generous heart (2 Cor 8:2-3; 9:7). We have offering boxes around the sanctuary and online options for members to give to the church. If you have questions about giving, please feel free to ask. If you are not a member of Bethlehem, we don't ask that you give, only that you consider devoting your life to Jesus and consider becoming a part of our church family.

How can you become a part of this church family?

A local church is a family of believers who have been baptized, committed to one another, and regularly gather under the authority of Scripture. If you are interested in joining Bethlehem, contact one of the pastors. We would love to talk with you about the gospel, baptism and church membership.
