**EXPANDING OUR REACH THROUGH STREAMING**

Watching an online service is no substitute for gathering with the church. The church is an assembly; therefore, we assemble. However, in an effort to share the gospel and God's word around the world, we have begun streaming our Sunday morning and Wednesday evening services to **Facebook, YouTube, and Sermon Audio**. These streaming services have already led to conversations with people outside of our community and opportunities for sharing the gospel with them. Thank you to **Marcus, Greg and Eric** for working on setting up our streaming services.

**Note of Thanks to Committee**

I want to thank the church members on the Personnel Committee for their hard work the last few months. They have spent many hours discussing the background details of calling new pastors and staff. They have carried the weight on some really difficult decisions and have done so faithfully. Thanks be to God for blessing the church through them.
