Music Director Position

The pastors and deacons have met recently to discuss the music director position. We have also contacted 5 potential men for this position based on member suggestions. The personnel committee is currently working on details related to the job description and pay. This week, an ad will run in the Baptist Trumpet for this position. If you have suggestions of a potential music director, please speak with one of the pastors and we will contact them.

Book Discussion To Start

The pastors will begin reading together ***The Church: The Gospel Made Visible*** by Mark Dever. We will share small pieces of what we read with the church. I want to encourage you to read this book along with us, discuss it with us, and ask questions. We are going to begin meeting in a few weeks for discussion on Sunday afternoons for anyone who is interested. They can contact Jimmie, if they have questions.

Sunday Nights & Wed. Nights

The pastors have recently met with the Sunday night and Wednesday night teachers and with the deacons to discuss switching our evening services back to their previous nights (switching all Sunday and Wednesday evening classes). The goal of this switch would be to better minister to families and visitors and to create future flexibility for our Wednesday evening small groups. We plan to continue meeting with the evening teachers to work out details and to discuss this in our upcoming business meeting. If you have questions or thoughts about this change, please speak with one of the pastors or the services teachers. Your questions will help us think about important details before the business meeting.
